Tuition Rates for 2018-2019

The registration Fee is a onetime fee charged to register for classes. **This fee is waived for students paying per annum.** The registration fee for 2018-2019 is \$25.00 for a Single Student or \$40.00 for the entire Family.

Tuition is not based on the number of classes per month, but is a total fee for the classes provided from September through our recitals in May. The tuition fee guarantees a minimum of thirty weeks of lessons per dance discipline with two additional lessons factored in for inclement weather. This means that it is possible to have thirty-two lessons during the dance year.

Tuition payments are broken down into nine monthly payments or three equal quarterly payments. Tuition is due in advance to First Position Dance Studio. A \$15.00 late fee will be added to accounts paid after the tenth of the month. Any classes that are missed during the month may NOT be deducted from the next month’s tuition. It is the sole responsibility of the parent/student to make up the missed classes within four weeks of the missed class. WE DO NOT SEND STATEMENTS. To take advantage of our tuition rates all lessons must be PAID in ADVANCE according to a pre-arranged payment plan.

TUITION AND COSTUME PAYMENTS ARE NON-TRANSFERABLE AND NON-REFUNDABLE.
